SITUATION SUMMARY

NORTHERN CALIFORNIA FIRES

Happy Camp Complex, Vegetation Fire, Siskiyou County

Happy Camp District, Klamath National Forest

FRA

Per Cal Fire, Cal OES Duty Officers, and ICS-209 as of 10/19/14 at 1755 hours:

- 134,056 acres, 98% contained
- Type 3 IC
- Expected Containment: 10/31/14
- Damaged Structures: 2 Other Minor Structures
- Destroyed Structures: 2 Single Residences, 4 Other Minor Structures

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

SITUATION SUMMARY

TROPICAL STORM ANA

Ana is moving westward away from the main Hawaiian islands and heading towards the northwest Hawaiian islands.

Location: 225 miles west-southwest of Lihue, Hawaii
325 miles southeast of French Frigate Shoals

Movement: West at 9 mph

Discussion: Ana is moving toward the west near 9 mph, 15 km/h. This motion is expected to continue into the morning, followed by a gradual turn to the northwest and decrease in forward speed later today and Tuesday. Maximum sustained winds are near 70 mph, 110 km/h, with higher gusts. Some weakening is possible today followed by expected intensification on Tuesday. Tropical storm force winds extend outward up to 105 miles, 165 km, from the center.

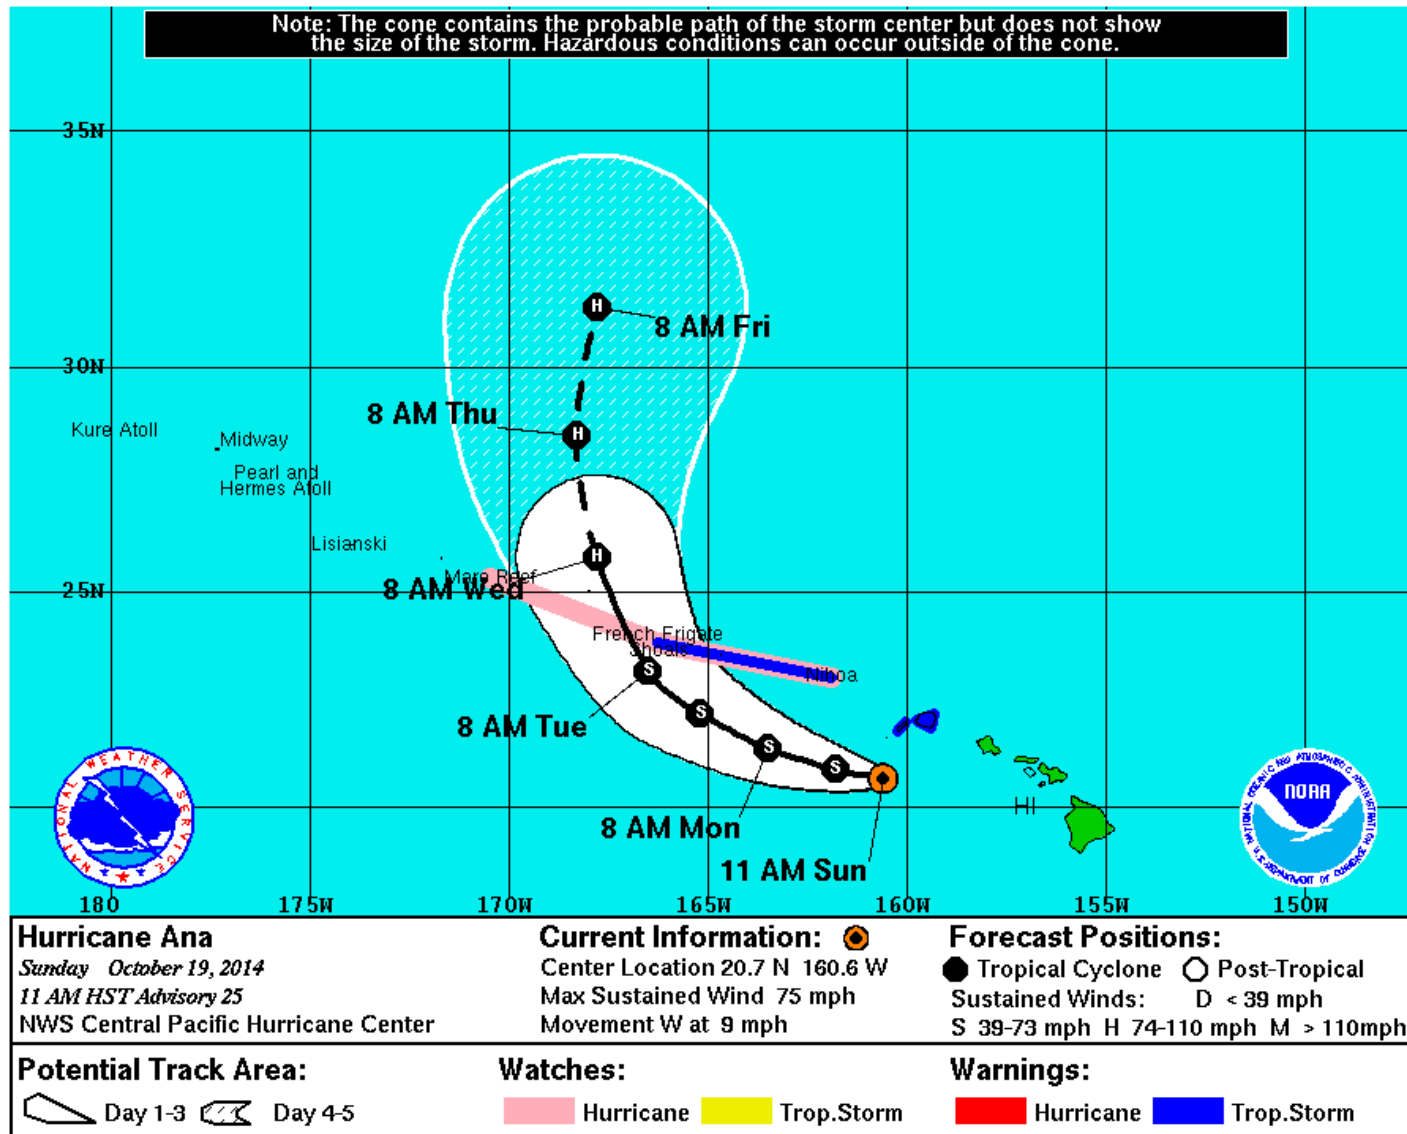

Hazards Affecting Land

- **Wind:** Tropical storm conditions are expected over Necker island, French Frigate Shoals, and Tern island Monday night. Hurricane conditions are possible over French Frigate Shoals, Tern island, and nearby waters late Monday night and Tuesday.
- **Surf:** Large swells produced by Ana will build across the northwest Hawaiian islands through Tuesday. Surf produced by these swells will be dangerous along the southern and southeastern facing reefs of the northwest Hawaiian islands.
- **Rainfall:** Rainfall amounts of 4 to 8 inches, with local amounts of 12 inches, are possible over the northwest Hawaiian islands along and near the track of the center of Ana.

Watches & Warnings

- Hurricane Watch is in effect for:
 - Portions of the Papahānaumokuākea Marine National monument, from Nihoa to Maro Reef.
- A Tropical Storm Warning is in effect for:
 - Portions of the Papahānaumokuākea Marine National monument, from Nihoa to French Frigate Shoals

SITUATION SUMMARY

Please note: All times shown are in Hawaiian Standard Time (HST)

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

A cold front will bring widespread rain to northwest California into Monday. This front will also cause gusty mountain winds. A post frontal trough will follow the cold front bringing a few strong showers and a possible thunderstorm which may contain small hail. Temperatures will cool Monday night as the clouds clear and cold air fills in behind this system. More rain is expected Tuesday night into Wednesday then again late in the week.

San Francisco Weather:

A cold front will spread rain across the North Bay. Dry weather will return by Tuesday with warming expected through the rest of the work week. Another chance of rain is possible by the end of the week.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Frontal system will provide cooler temperatures and precipitation chances from this morning through tonight. Another storm system will cause shower chances from Wednesday into the weekend.

Hanford Weather:

A cooling trend will occur tonight and Tuesday with breezy winds likely this evening along the west side of the San Joaquin Valley. High pressure will return for the remainder of the week with dry conditions continuing and temperatures warming to above normal by Friday.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

A trough of low pressure will bring cooler weather through Tuesday. There will be some locally gusty northwest winds late tonight through Tuesday night following the passage of this system. A warming trend will begin on Wednesday as weak offshore flow develops with above normal temperatures expected later this week. Cooler weather is likely to return next weekend with the next low pressure system.

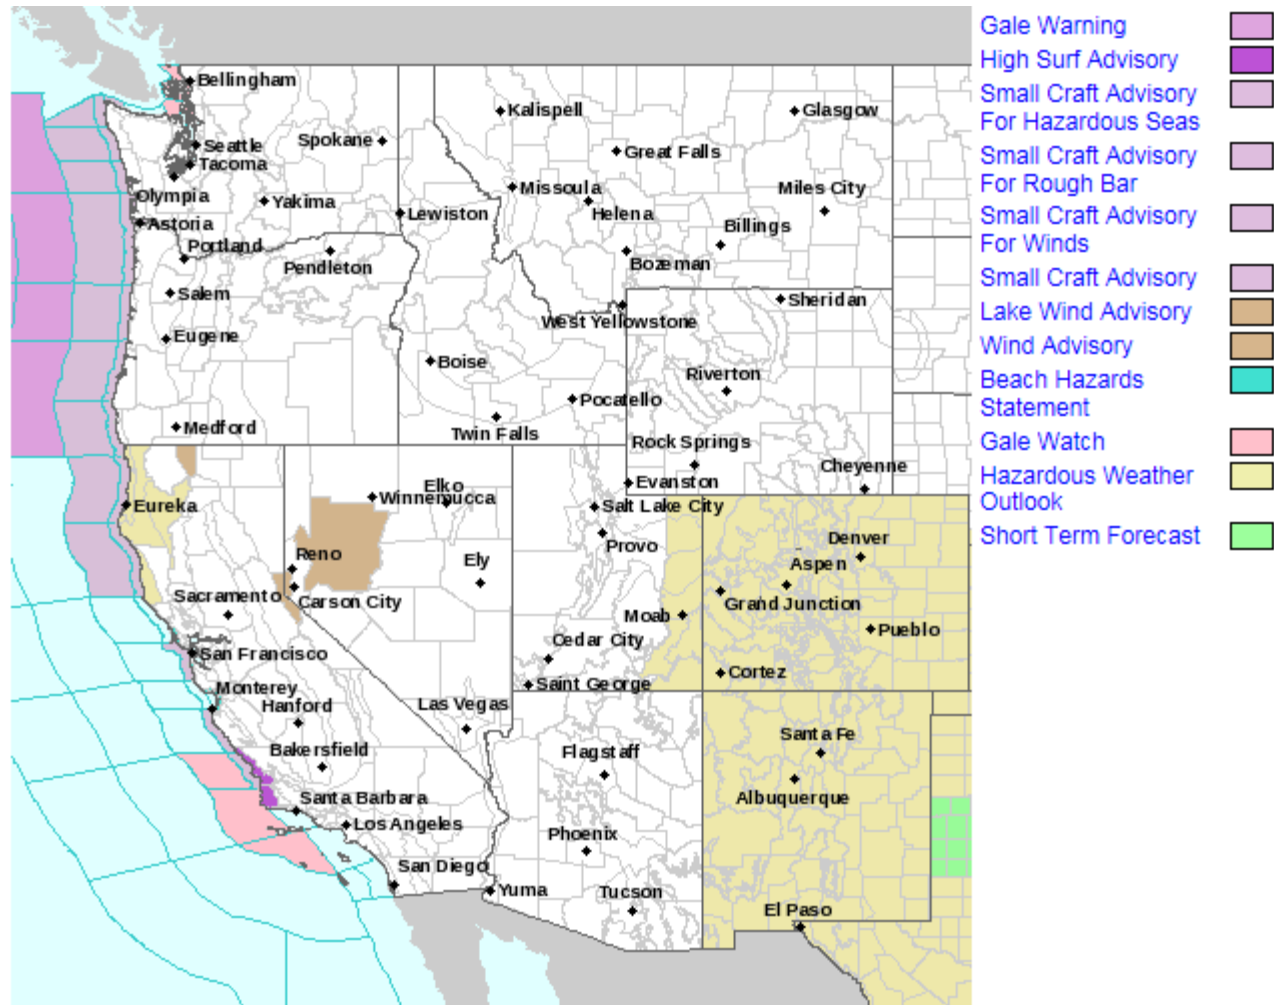

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Cooler weather with a deep marine layer will continue through Tuesday. High pressure building aloft and weak offshore flow will create warm and very dry weather for mid to late this week with a very shallow marine layer. Slightly less warm high temperatures next weekend as onshore flow returns and the marine layer begins to deepen.

Southeast California Weather:

Gradual drying will occur this week. Some warming is expected by mid-week into the weekend with temperatures several degrees above normal as high pressure settles overhead.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15. In addition, a Disaster Loan Outreach Center opened Wednesday, 10/01/14, at 1200 hours, located at the College of the Siskiyou's Life Science Building 3, Room LS-1, 800 College Avenue, Weed, California 96094, Mondays – Fridays, 0900 – 1800 hours.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- Non-food items have transitioned from the Salvation Army to a collaboration of four non-profit agencies that will be involved in the distribution of items such as baby clothes, diapers, clothing, etc.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL will continue to provide guidance to the LTRG group.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- Due to the high levels of asbestos found in the destroyed library, the Siskiyou County Health Officer, US/EPA, and CalRecycle recommend the temporary relocation of families living in the undamaged homes directly adjacent to the library. However, the City is temporarily sheltering (less than 30 days) one family displaced by the debris removal activities at the library location.
- The Applicants Briefings for the Boles Fire FMAG and the CDAA 2014-4 Siskiyou County Wildfires are scheduled to be conducted on 10/22/14, beginning at 0900 hours at the College of the Siskiyous, 800 College Avenue, Building 3 Room 3 in Weed.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

7545.43 total tons of debris have been removed as of day 14 of operations (86.41 tons of metal delivered for recycling; 2670.30 tons of concrete delivered for recycling; and 4788.72 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 14

- 131 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 11 Sites denied entry.
- 108 Sites documented.
- 129 Asbestos surveys completed.
- 56 Sites with asbestos containing material.
- 40 Sites cleared of asbestos containing material.
- 43 Debris removal completed.
- 0 Sites sampled.
- 0 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

- Two (2) Cal OES Recovery staff are assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

Recovery Activities

- Based on a request for additional IA information for the major disaster declaration request, IA teams conducted PDAs 09/08/14 through 09/12/14 in Napa County, the City of Vallejo, and Solano County IA PDA teams conducted additional PDAs 09/17/14 through 09/19/14 finalizing PDAs in Napa County. The Presidential Declaration request letter along with supplement information was forwarded to FEMA for consideration.
- The deadline for potential applicants to submit the Request for Public Assistance to be considered for reimbursement for this event is 10/24/14. Fifty-four (54) RPAs have been received to date. Twenty-two (22) kick off meetings have been completed and four (4) kick-off meetings have been scheduled for this week and next week.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. Due to the absence of local faith based and other organizations that may have resources, Solano VOAD will reach out to expand the engagement of additional nonprofit and faith based partners. Once the organizations are identified, a follow up meeting will be held in hopes of identifying key leaders interested in forming a LTR committee.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice.
- A joint area field office located at the McKinley Building, 180 California Drive, Veterans Home of California, Yountville, 94599 opened 10/03/2014.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Inland REOC is activated at Level 2 Monday through Friday, from 0800-1700 hours, or as needed.
- The Southern REOC is activated at Level 1 Monday through Friday, from 0800-1700 hours.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Recovery will be participating at the Southern Region MARAC meeting in Temecula on 10/23/14, to discuss Governor's EO on the drought.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
